## **PREFACE**

Owing to the increasing demand of Ministries, Extra-Ministerial Departments and other Public Service agencies to have a reliable reference source for the administration of salaries and allowances, the Commission compiled the first volume of its circulars, which had come into effect since the harmonization of salaries and allowances in the Public Service in September, 1998. That volume was published in August 2000. Since then however, more changes have occurred in the harmonized salaries and allowances in the Public Service. Those changes have been captured in the current volume III.

It is expected that Ministries, Extra-Ministerial Departments and Agencies in the Public Service as well as international organizations and researchers will find the current volume a veritable source of information in compensation practices in the Federal Public Service. The volume covers the period August 1998 to July 2014.

**NEW HARMONISED TERTIARY INSTITUTIONS SALARY STRUCTURE  
(HATISS) AND ALLOWANCES FOR THE FEDERAL  
PUBLIC SERVICE**

Owing to the drastic fall in government revenue arising from declining oil prices, it has become necessary to review the salaries and allowances contained in my letter No. SWC.04/554 of 28<sup>th</sup> August, 1998. The new Harmonised Tertiary Institutions Salary Structure (HATISS), allowances, and conversion tables are attached as annexes I – IV to this letter.

2. The four new allowances in respect of quarters maintenance, medical expenses, children's education, and furniture, which appeared in my earlier circular have now been cancelled. With the elimination of medical allowance, officers may now, as was the case before the introduction of this allowance, claim reimbursement for expenditure incurred on the purchase of drugs.
3. For the avoidance of doubt, I wish to emphasise that officers who live in government quarters, or who are provided accommodation at government expense, are not entitled to any rent subsidy, irrespective of the quality of accommodation provided. The practice of paying some rent subsidy to staff provided with official accommodation is therefore unauthorised and should be discontinued.
4. The effective date of this circular is 1<sup>st</sup> January, 1999. All enquiries arising from the circular, including proposed changes in remuneration by all agencies in the public service, whether commercialised or not, should be directed to this office.

Signed  
**Owelle G. P. O. Chikelu**

**CIRCULATION OF FAKE CIRCULARS ON THE REVIEW OF SALARIES  
AND ALLOWANCES IN THE FEDERAL PUBLIC SERVICE**

Attention of Government has been drawn to the circulation of fake circulars on the review of salaries and allowances in the Federal Public Service. These fake circulars are in varying forms. In a particular instance, a false statement was added as part of the explanatory note to the table of allowances attached to circular Ref. No. SWC.04/Vol.IV/991 of 15<sup>th</sup> May, 2000 on the Harmonised Public Service Salary Structure (HAPSS) issued by the National Salaries, Incomes and Wages Commission. The false insertion reads:

“3, All Professional allowances not mentioned above which have not been revised since 1<sup>st</sup> January, 1999, will be increased by 100% of their current rates while those already revised since 1<sup>st</sup> January, 1999 will remain at their current rates.”

2. The salary table attached to circular Ref. No. SWC.04/Vol.V/197 of 9<sup>th</sup> October, 2003 on the Harmonised Tertiary Institutions Salary Structure (HATISS) also issued by the National Salaries, Incomes and Wages Commissions has been faked and circulated to agencies. The fake HATISS table has eliminated the first two salaries steps in the authentic table and has forged the signature of the Permanent Secretary, National Salaries, Incomes and Wages Commission. A copy of the fake tables mentioned above have been attached as appendices I & II to this circular.
3. Another fake salary table is the one on HAPSS in which the deduction of union dues was included.
4. Government is concerned that the implementation of such fake tables of salaries and allowances by Ministries and Agencies has contributed, in no small measure, to the bloating of the wage bill. This ploy by some unscrupulous persons in the Public Service will not be tolerated. Henceforth, Heads of Ministries, Extra-ministerial Departments and Agencies will be held responsible for the implementation of such fake salary tables.
5. All Ministries, Extra-Ministerial Departments, Agencies and Parastatals are hereby directed to ensure the authenticity of the tables of salaries and allowances which they are currently implementing. In case of any doubt, such tables should be referred to the National Salaries, Incomes and Wages Commission for clarification.
6. Government has also directed that the National Salaries, Incomes and Wages Commission will, on regular basis, visit Federal Ministries, Extra-Ministerial Departments, Parastatals and Agencies to verify and authenticate the salary structures and allowances applicable to each organisation. This exercise will ensure that the wage bill is kept under continuous surveillance.
7. Please ensure strict compliance with this circular.

**APPROVED RATES FOR MONETISATION OF**  
**FRINGE BENEFITS IN ALL FEDERAL PARASTATALS FUNDED**  
**FROM THE FEDERAL BUDGET**  
**WITH EFFECT FROM 1<sup>ST</sup> OCTOBER, 2005**

In accordance with the monetisation policy of the Federal Government, the President, Commander-in-Chief of the Armed Forces of the Federal Republic of Nigeria, has approved the rates for the monetisation of fringe benefits in all Federal Parastatals and Government-owned Agencies funded from the Federal Budget. The new rates take

effect from 1<sup>st</sup> October, 2005 and affect the following: Accommodation, Transport, Meal Subsidy, Utility, Domestic Servant, Leave Grant, Medical Allowance, Furniture Allowance, Vehicle Loan and Driver.

2. The approved rates of monetised fringe benefits are applicable as indicated in the following Annexure:

Annex I: for parastatals on Harmonised Public Service Salary Structure (HAPSS) ;

Annex II: for parastatals on Harmonised Tertiary Institutions Salary Structure (HATISS); and

Annex III: for University Academic Staff Salary Structure (UASS) which is restricted to University Academic Staff.

3. All the affected Federal parastatals/agencies should note as follows:

**(a) Entertainment Allowance**

Entertainment allowance was introduced at a point in the service when the personal emoluments of Public Servants, especially those in the senior cadre were very low vis-à-vis their responsibility and before the adjustments that have come in the life of the present administration. As this is no longer the case, this allowance has been cancelled for staff in all the affected Federal parastatals/Government-owned agencies.

**(b) Medical Allowance**

Medical allowance was re-introduced to reduce the tendency for Public Servants to abuse the arrangement of allowing sick staff to claim medical refunds after treating themselves. Henceforth, all staff are to receive 10% of their basic salary monthly as medical allowance. Consequently, it is only in cases diagnosed as life-threatening that Government will pay the bills for treatment. However, while such payment is being undertaken by Government, the officer will cease to receive the 10% of basic salary as medical allowance.

**(c) Car/Motorcycle/Bicycle Loan**

Vehicle loans are not to be granted directly by the Government. They are to be granted by financial institutions, preferably on a single digit interest rate and with Government's guarantee, subject to the repayment capacity of the beneficiary. Where it is not possible for a single digit interest rate to be secured, Government will intervene.

**(d) Payment of Accommodation and Furniture Allowances**

Payment of Accommodation and Furniture Allowances shall be made to entitled officers at the approved rates. For the avoidance of doubt, officers living in Official Quarters are not entitled to the payment of accommodation allowance.

4. All Organizations and Agencies in the Federal Public Service which are funded from the annual Federal Budget, but which operate salary structures other than the Harmonized Salary Structures should implement the monetised rates in consultation with the National Salaries, Incomes and Wages Commission to avoid misapplication of the rates.
5. As usual, all self-funded Federal Parastatals and Agencies which wish to monetise their fringe benefits, should always submit the proposed package to the National Salaries, Incomes and Wages Commission for necessary evaluation and approval before implementation.
6. This Circular supercedes all other previous Circulars dealing with the fringe benefits/allowances listed in paragraph one above and all enquiries relating to it should be forwarded to the Commission.

**CHANGE OF EFFECTIVE DATE FOR IMPLEMENTATION OF THE  
CONSOLIDATED SALARY STRUCTURE**

The President, Commander-in-Chief of the Armed Forces has observed with regret, that in many Ministries, Departments and Agencies, (MDAs) the severance of undesired workforce is yet to be completed, while it is just beginning in the Parastatals. It is to be noted that the implementation of the Consolidated Salary Structure which was to have taken effect from 1<sup>st</sup> January, 2007 was contingent upon the completion of the severance exercise in the

TOP

Federal Public Service. Since the exercise is yet to be concluded, the President has directed that the implementation of the Consolidated Salary Structure in Ministries, Departments, Agencies and Parastatals **should commence only after** the Bureau of Public Service Reforms and the Budget Office have certified the completion of their payroll severance exercise.

2. It is pertinent to mention that all MDAs that have completed their severance exercises including the Armed Forces, the Police, Immigration and Prison Services and the National Bureau of Statistics are not affected by this circular.

3. Please bring the contents of this Circular to the attention of all concerned.

**REVIEW OF TRANSPORT ALLOWANCE IN THE FEDERAL  
PUBLIC SERVICE**

Following the agreement reached between the Federal Government and Labour to cushion the effect of the increase on the prices of petroleum products in 2005, Government approved an increase of 4% on Transport Allowance of workers in Federal Ministries, Extra-Ministerial Departments and Agencies (MDAs) with effect from 1<sup>st</sup> July, 2006. 2. The approved increase of 4% of annual basic salary which could not be paid to workers in all MDAs before 1<sup>st</sup> January, 2007 when consolidated salaries were implemented in the Federal Public Service, has been released to the MDAs by the Budget Office. The workers should, therefore, receive without further delay, payment for the increase on transport allowance for the period of 1<sup>st</sup> July, 2006 to 31<sup>st</sup> December, 2006. A table indicating appropriate payment to each grade of staff is attached as an annex to this circular.

3. As usual, all self-funded Federal Parastatals and Agencies, which have not increased the Transport Allowance of their staff since July, 2006 and wish to do so, should submit their proposals on the increase to the National Salaries, Incomes and Wages Commission for clearance, provided their salaries are not already consolidated.

**GUIDELINES ON THE REVIEW OF SALARIES, ALLOWANCES  
AND FRINGE BENEFITS IN THE FEDERAL PUBLIC SECTOR**

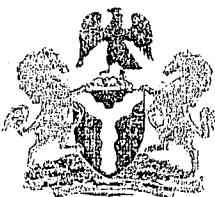

The attention of Government has been drawn to the uncoordinated and indiscriminate reviews of the remuneration of workers in the Federal Public Service which, if not checked, could destabilize the national economy. In this connection, the President, Commander-in-Chief of the Armed Forces of the Federal Republic of Nigeria has directed that henceforth, all proposals for the review of salaries, allowances or fringe benefits must be sent to the National Salaries, Incomes and Wages Commission through the supervising Ministry of the affected agency. The Commission will examine the proposed changes and, in appropriate cases, will make recommendations to government. It is only when the approval of Government has been communicated in writing to an agency by the Commission that the proposed review can be implemented. This directive applies to all Federal Public Sector agencies, whether they are self-financing or fully-funded from annual budgetary provisions.

*Continuation*

2. Government has also directed that henceforth, all approved new remuneration packages should not attract any arrears or be funded from the supplementary budget. If the increases cannot be fully funded from the approved current budgetary allocation, it should be provided for in the following year's budget, but without arrears.
3. All agencies in the Federal Public Service are to ensure compliance with the contents of this circular.

REVIEW OF PENSION RATES

The President, Commander-in-Chief of the Armed Forces, has approved an increase in the pensions of retired public servants under the old, non-contributory Federal pension scheme. The increases for the different salary structures are shown in the tables below:

*Continuation*

Increases in Pension arising from the increases granted to Harmonised Tertiary Institutions Salary Structure (HATISS/CONTISS) between 2001 and 2007.

S/NO	INCREASES ON HATISS/CONTISS	CORRESPONDING INCREASE ON PENSION (%)
1	22% Increase with effect from 1 <sup>st</sup> May 2001	19.0
2	10%-4% Increase on a sliding scale with effect from 1 <sup>st</sup> October 2003	6.0
3	15% Increase on Consolidated Emoluments with effect from 1 <sup>st</sup> January 2007	15.0

B. Increases in Pension arising from the increases granted to Harmonised Public Service Salary Structures (HAPSS/CONPSS) between 2003 and 2007.

S/NO	INCREASES ON HAPSS/CONPSS	CORRESPONDING INCREASE ON PENSION (%)
1	12.5%-4% Increase on a sliding scale with effect from 1 <sup>st</sup> October 2003	6.0
2	15% Increase on Consolidated Emoluments with effect from 1 <sup>st</sup> January 2007	15.0

2. The rates of pension increase applicable to CONPSS should also apply to the Armed Forces, Police and the Paramilitary services, because the rates of the remuneration items used in the calculation of terminal benefits are the same.
3. For the Top Federal Public Office Holders, only the pension increase of 15% with effect from 1<sup>st</sup> January 2007 should apply to them, since they were not affected by the 12.5%-4% increase on a sliding scale.

**CLARIFICATIONS AND ADJUSTMENTS ON CERTAIN HEALTH  
PROFESSIONAL ALLOWANCES**

As a result of various misinterpretations of the policy regarding certain professional allowances in the health sector and following consultations with stakeholders, it has become necessary to issue clarifications and adjustment of earlier circulars on the allowances. These clarifications and adjustments are made as follows:

# *Continuation*

## **A. Teaching Allowance**

- (1) This Allowance is meant to compensate medical and health professionals who teach medical and health professionals-in-training and for whom teaching is not a normal duty as per the scheme of service. It is an incentive for extra work beyond the officer's normal duty and not a regular remuneration.
- (2) The following conditions shall guide the entitlement to it:
  - (i) Officers earning the allowance must be licensed medical or health professionals in clinical services, and not students or interns/house officers.
  - (ii) The earning officer must be regularly or frequently engaged in actual classroom or practical teaching of medical doctors or other health professionals-in-training as well as interns, towards certification or registration by an appropriate professional body recognized by the scheme of service.
  - (iii) The regular teaching of medical students or students of other health disciplines provided for in the schemes of service towards their professional qualification, shall also entitle an officer who is not a teacher by primary employment to the Teaching Allowance, provided that the school to which the students belong is owned by or legally attached to the hospital in which the teaching is done.
  - (iv) Staff in non-clinical departments/units of hospitals shall not be entitled to this allowance.
  - (v) The payment of the Allowance shall cease whenever the officer stops performing the teaching duty.

## **B. Rural Posting Allowance**

- (1) This Allowance is meant to compensate health personnel who serve in rural communities. It is a selective incentive and not a remuneration of general applicability.
- (2) The following conditions are applicable for entitlement to the allowance:
  - (i) All staff of Federal health institutions (hospitals) located in a rural community and who reside in the community, shall be entitled to the allowance. As determined by the Federal

# *Continuation*

Ministry of Lands, Housing and Urban Development (FMLHUD), the following are the only Federal Government Hospitals located in rural communities:

- (a) Irrua Specialist Teaching Hospital, Irrua, Edo State
- (b) Neuro-Psychiatric Hospital, Aro, Ogun State.

Entitlement to the allowance on account of this condition may be changed if the FMLHUD subsequently changes the designation of communities as rural centres.

- (ii) For tertiary hospitals which have rural outpost(s), their staff posted to such outpost(s) and actually reside there shall earn the allowance for the period in which such officers are so deployed.
- (iii) Health personnel of hospitals who visits rural communities on outreach services as regular duty shall earn the Allowance. This is on condition that: (a) such workers are in the Public Health department of the hospital (b) the outreach service is a regular duty and not an occasional or periodic assignment (c) there is a duty roster or schedule to evidence the actual performance.
- (iv) The payment of the allowance shall cease whenever the above conditions cease to apply to the officer.

## **C. Budget Provision for Payment of Call Duty Allowance for 12 Months**

- (1) With respect to the fund provision for only 11 months in the year for Call Duty Allowance, while noting the view of the Budget Office of the Federation (BOF) that the fund is discounted for the one-month period in which officers are expected to be on vacation leave, it is considered that it is possible that some professional personnel may not go on leave in the year and thus be on call duty throughout the year, due to volume of work vis-à-vis available manpower.
- (2) It is therefore advised that Budget funds for 12 months of the year (i.e. for a maximum total of 480 units of call per officer per annum) be provided for Call Duty Allowance, for the sake of practical convenience. This does not suggest that officers shall be paid Call Duty Allowance for time in which they were not actually on call.

# *Continuation*

## **D. Earning of Allowances by Honorary Consultants in Multiple Hospitals**

- (1) The BOF has reported the trend whereby certain particular Honorary Consultants feature in the budget of several hospitals, thus earning professional allowances in multiple places. Such multiple engagements appear unrealistic and do not accord with the current payroll (IPPS) regime.
- (2) The Federal Ministry of Health shall consult with the Medical and Dental Council of Nigeria and other health professional regulatory bodies to determine the maximum number of hospitals in which a consultant can be engaged and to thus advise the BOF on budgeting. In the meantime only one hospital will be allowed for each Consultant in the regular (IPPS) payroll, while consultancy services provided by the Consultant in other hospitals shall be remunerated from those hospitals' non-payroll votes such as overhead and internally generated revenue.

## **E. Payment of Professional Allowances to Chief Medical Directors/Medical Directors (CMDs/MDs)**

- (1) The BOF has reported that most hospitals claim professional allowances for their CMDs/MDs, which usually inflates the budgets of those institutions when the allowances are calculated based on the salary of the CMD/MD.
- (2) Henceforth CMDs/MDs shall be entitled to professional allowances (Call Duty, Hazard, Teaching, etc) at a rate equivalent to their professional status (grade level) at the point of their appointment or at the rate on their promotion professionally. However, entitlement to the allowances is only if the CMD/MD actually renders such services.

## **F. Professional Allowances for Youth Corps Doctors and Other Health Professionals**

- (1) Youth Corps doctors/other health professionals do not earn salary but are paid Youth Service Allowance by the NYSC as well as housing/transport stipend by their place of service. They are not to be provided for in the regular payroll for salaries.

# *Continuation*

- (2) However, such corpsers are entitled to professional allowances (Call Duty, Hazard) at the rate applicable to house officers/interns of their profession.

**G. *Adjustment of the Circular No. SWC/S/04/S.410/220 of 29<sup>th</sup> September 2009 with respect to the Health Professional Non-clinical Duty Allowance***

Following an observed error in the above circular (copy attached), which re-introduced and defined the health professional allowances paragraph 3(iii) of the circular is hereby replaced with the following:

***"Health Professional Non-clinical Duty Allowance***

This allowance (Annex V) is payable to medical/dental officers deployed to render health related services in Federal Ministries, Department and Agencies (MDAs)."

2. All enquiries on this circular should be directed to this Commission.
